A's 'supposed' to stink

### Somebody better tell Oakland

MAK FRIEDMAN  
UPI Sports Writer

When is somebody going to tell the Oakland A's they should be tied with the Kansas City Royals for first place?

These young guys are making a helluva lot of me," Oakland manager Art Shuey said after the A's had taken their 10th straight victory, a 5-0 shutout over the Seattle Mariners.

"I think they depend on me because they're new to the league and I know the hitters," said Shuey. "But I just set the glove out there for a target and these guys are hitting it."

John Johnson, considered by many as a throw-in in the Vida Blue deal, opened his bid to sweep his minuscule ERA to .42 and put the A's at 13-10 in the season. The Royals lead Oakland by only percentage points in the AL West.

A step by Tony Armas, a sacrifice by Miguel Dieme and a bad bounce single by Mike Edwards accounted for the deciding run in the third off four Paul Mitchell. 1-2. In the fifth inning, Edwards hit a two-run triple.

Marie Guerrero had all right single and Gary Alexander blasted a run-scoring double to key the six-hit, four-run inning.

Earlier American League games, Toronto blanked the Chicago White Sox, 4-0. Kansas City topped Baltimore, 4-3. Detroit won with Texas, taking the opener, 3-0, before dropping the nightcap, 2-1. In 12 innings, Milwaukee edged the New York Yankees, 5-3, and Boston split with Cleveland, grabbing a 4-3 victory in the first game before losing, 7-5, in 11 innings, in the second game. California at Minnesota was postponed by rain.

In the National League it was Pittsburgh at St. Louis, 1, in the first and Pittsburgh, 3, St. Louis, 4, in the second. Chicago, 3, New York, 2, in 12 innings. Montreal, 5, Philadelphia, 2. Cincinnati 1 San Francisco, 1, in 10 innings. San Diego, 5, Atlanta, 4, in 12 innings. Los Angeles' Houston, 3.

**Blue Jays 4, White Sox 1**  
Gene Johnson fired a three-hitter to lead his first major league shutout and John Nix's first major league home run ran to lead Toronto over Chicago.

**Brewers 4, Yankees 1**  
Don Griffin reaped a solo home and Bud Hanke had a two-run single to support the combined five hits pinning of Larry Green and Bob McWhorter in Milwaukee's victory over the Yankees. Reggie Jackson had a solo home for New York.

**Red Sox 7, Indians 3-10**  
Dwain Gooden signed home one run and Ron Hunter followed with a two-run single in the 11th inning with the Red Sox leading the Indians 7-3 in Cleveland over Boston in the second game of a double-header. Carlton Fisk declined in one of three eighth-inning runs to give Boston a victory in the opener.

### Monday ripping league apart

BY MIKE TULLY  
UPI Sports Writer

The way first Monday is going, he can't care about records. He is too busy having his luck-out change.

"I haven't tried for a home run yet this year but I'm in a hot streak," he said Sunday night after his homer and three RBIs helped the Los Angeles Dodgers to a 7-0 victory over the Houston Astros. "I'm just trying to hit his hard. Next week everything will be hitting the home instead of going over."

If that happens, Los Angeles Manager Tom Landry won't complain. Doubles and triples help by halting runs, he said.

I told everyone that Monday would have a super year because he's a tremendous competitor," Landry said. "We all knew what he could do. He hit 13 homers last year when he wasn't healthy so he could have easily hit 20."

Monday has eight homers this season, more in the majors and three short of Willie Stargely's record of 11 in the month of April. There is no way it can't be over with the help they're getting. I can't deprive our offense by giving them a record."

Monday raised his RBI total to 19 by homering with one in the sixth inning and adding a sacrifice fly in the fifth. Steve Garvey extended his hitting streak to 15 games and scored two runs.

Don Sutton, who entered the game with a 3-0 earned run average, survived a blowout as he won his second game in three decisions. He allowed a second with a home run in the fifth.

### Gary Player hot and he knew it

HOUSTON (UPI) — Gary Player is on a hot streak and he knows it.

The South African golfer and he has won 110 pro golf tournaments — 18 on the PGA tour — before his recent streak of victories at the Masters, Tournament of Champions and Houston Open.

But Player insists he is even better than that impressive string would indicate.

Winning three in a row is a very nice record to have, but I've won six of my last nine tournaments. That's about as hot as I've been since 1974, which was my best year."

Not before Sunday had Player ever won three straight tournaments on the tough PGA tour.

— His take home pay from the tour in 1974 was \$105,272 compared to the \$120,000 he has won in three weeks.

By this, he said, was to play tournaments through July and then return for a month to his ranch near Johannesburg, South Africa. He is in line of New Orleans this weekend to tie Jack Barber's 1952 streak of four victories in a row and then, possibly, to threaten Byron Nelson's 1945 PGA record of 11 straight wins.

Player was not predicting any such thing, but he said he would be healthy enough to win three straight tournaments on the tough PGA tour.

### Hyde School roundup

### Five school records fall

KELLEY, N.H. — Tony Bradley turned in a 49-5 triple jump and Hyde School snapped five school records in the Easter Academy Relay Saturday.

Although there were to team scores kept, Hyde and Easter dominated things from beginning to end, with Hyde cracking records in the triple jump, long jump, javelin, mile run and discus. In addition to his triple jump performance, Bradley hit a 205.1 in the long jump. Don Goodrich threw the javelin 194-09. Tom Polak ran a 4:30.1 mile and that wasn't counting the old record previously held by Arnold Goodgame.

Hyde's 100 relay team of Bitchholder, Kelly Wynn, Greg Mullis and Tony Dawney was second in 1:20.3 while the mile relay team of Mullis, Bradley, Dave Tarn and Jim Blevins was by a yard over Easter in 3:42.8.

Hyde will open its regular season against New Hampton (N.H.) on Wednesday.

**500 drivers are assured**  
INDIANAPOLIS (UPI) — Drivers who had the Indianapolis 500 are again assured of getting \$200 for their entry, they are from the track. Indianapolis Motor Speedway officials announced Saturday.

The 1978 Indianapolis 500 will be the 40th running of the race. The Indianapolis Chamber of Commerce solicited sponsors for the 200 laps to a pot of \$40,000 for that prize.

Lap sponsors include both individuals and companies. Three firms this year purchased one subscription.

Ten A. J. Fort, the only person to win the 500 four times, could become the Speedway's first \$100,000 lap prize winner this season.

Fort would need to lead 30 laps this year to top the mark. He had 48 drives a year ago in picking up the history fourth prize.

Fort's last was \$1,000,000 in the Speedway in 1976.

SANTA CLARA, Calif. (UPI) — Bernie Minus of Santa Clara opened Saturday's John McIlwaine, 1-6, 4-4, 1-4 Sunday and Archer Ables beat Ronan Tanneer, 6-4, 5-7, 4-4, and the two will meet Monday for top prize in the \$200,000 San Jose Open tennis tournament.
